

The Grim Reaper returns to St Pancras International station

Prime Burger are bringing back the GRIM REAPER burger especially for Halloween

Daring diners should head to St Pancras International's this Halloween as the station's very own burger haunt, Prime Burger is offering a ghoulish gourmet burger fit only for the most courageous customers - The GRIM REAPER! Available for a limited time only.

Served with 100% British Beef Burger, American cheese, crunchy salad and soothing mayonnaise in a potato glazed bun, the creators at Prime burger have added a hellish trick to this Halloween treat, topping it off with a generous helping of the Carolina Grim Reaper Pepper.

At a scorching 1.6million Scoville Heat Units (SHU), the Carolina Grim Reaper pepper is the hottest pepper in the world — making The Grim Reaper burger so dangerous staff must use protective gloves & goggles to handle his 1.6million Scoville units of fire!

If that's not enough to get hearts racing this Halloween, 2017 sees the season debut of the Grim Reaper spin-off, APOCACHIPS NOW! The chefs have given the outlet's critically acclaimed loaded fries a Halloween overhaul starring the Carolina Grim Reaper in a chilli pepper jam scorching through a cast of crunchy chips and melted Cheddar Cheese.

But brave souls must be quick if they want to take on the challenge, as these devilish dishes are only available until Halloween.
